Birding

VOL. 41 • NO. 6 • NOVEMBER 2009

About the Cover: Everybody knows what a duck looks like, right? But ducks can be surprisingly hard to identify as to species. Even the “easy” ones provide certain challenges. All photos by © Glenn Bartley.

For more information on the cover photos, please see our “About the Cover” WebExtra <aba.org/birding/v41n6p5w1.pdf>.
